## **ARTICLE III: UNION SECURITY AND CHECKOFF**

A. It shall be a condition of employment that all ASWs covered by this Agreement who are members of the Union in good standing as of its effective or execution date, whichever is later, shall remain members in good standing, and those who are not members in good standing as of the effective or execution date of this Agreement, whichever is later, shall, on or after the thirtieth (30th) calendar day following the later of the effective or execution date, become and remain members in good standing of

the Union. It also shall be a condition of employment that all ASWs covered by this Agreement who are hired on or after its effective or execution date, whichever is later, shall, on or after the thirtieth (30th) work day following the beginning of such employment become and remain members in good standing of the Union. The term "member(s) in good standing of the Union" shall be construed in accordance with federal labor law and the Union shall take appropriate steps to ensure compliance with the law.

B. The University shall discharge any ASW covered by this Agreement within one (1) week after receipt of written notice from the Union that said individual is not a member in good standing of the Union as herein required.

Should the University fail to make the above deduction notwithstanding its receipt of a valid written authorization, the University shall be liable to the Union for the amount thereof forty-eight (48) hours after receipt of written notice by the Union of the amount due. This shall not constitute a waiver of the right of the University to collect or recover the monies directly from the Faculty member.

Actual reimbursement will depend on the number of applications and the funds allocated for that semester.

3. Unused funds, if any, will not carry over to a future semester.

### **ARTICLE XXIII: UNIVERSITY SERVICES FEE REBATE**

In a semester that an ASW works at least an average of five (5) hours per week (at least 75 hours per semester/session) in unit position(s), the ASW will receive a 100% (currently \$190) rebate of the University Services Fee.

### **ARTICLE XXIV: CHILDCARE**

A. The provision of a childcare benefit shall be added as an agenda item for consideration by the Labor Management Committee.

B. If the University provides any form of childcare benefit to any other group of University employees during the lifetime of the Collective Bargaining Agreement, the University shall offer an equivalent childcare benefit to the Union.

### **ARTICLE XXV: UNION LEAVE**

September 1, 2019: \$47,500

September 1, 2020: \$50,000

September 1, 2021: \$52,500, and will continue at that amount for each academic year thereafter.

## **ARTICLE XXVI: HEALTH, SAFETY, AND LABOR MANAGEMENT COMMITTEE**

A. The University acknowledges an obligation to provide a safe, clean and healthy environment for its ASWs on the University's campus and in University-owned or controlled facilities, and agrees to do so in accordance with any and all applicable local, State, and Federal laws pertaining to occupational safety and health. If an ASW reasonably assesses that a workspace is unsafe, such ASW will contact their direct supervisor/department head, or Human Resources to express their concern and report they will be leaving the workspace, whether or not the space is owned or controlled by the University. If an immediate danger presents itself, the ASW may leave the workspace and thereafter will notify the University as noted above. In the event the ASW's assessment was unwarranted, the University reserves the right not to provide compensation for the period of time subsequent to leaving the workspace.

B. The University shall provide first aid kits; protective equipment, including safety glasses; information; and training for all ASWs in workplaces that involve the use of or exposure to hazardous materials or who work in a hazardous environment.

C. The University will provide as much advance notice as possible to ASWs likely to be affected by any asbestos removal projects and other hazardous chemical sprays, as defined by OSHA.

D. There shall be a Labor Management Committee which shall consider and make recommendations of matters of general importance to ASWs including: affirmative action, working conditions, health and safety, space and facilities and resources available to ASWs. The committee shall be appointed no later than February 1st for Spring 2019 and by October 1<sup>st</sup> every academic year thereafter, and shall comprise three [3] representatives of the University and three representatives of the Union. Either party may bring additional resource people to any meeting. The Chair for each meeting shall rotate between the University and the Union.

E. The Committee shall meet at least once per academic term (Fall and Spring) to discuss matters affecting ASWs covered by this Agreement and other related issues that are not the subject of an active grievance.

F. Either the University or the Union may call additional meetings of the Labor Management Committee as needed, including during the Summer session.

## **ARTICLE XXVII: DISCIPLINE AND DISCHARGE**

- A. The University shall have the right to discipline any ASW covered by this Agreement, up to and including discharge, for just cause. Except as otherwise expressly provided for in this Agreement, such disciplinary treatment shall be subject to the provisions of Article XXVIII (Dispute/Grievance and Arbitration Procedure).
- B. Investigatory Leave: The University may place any ASW on investigatory leave with full pay without prior notice, in order to review or investigate allegations of misconduct or dereliction of duty which, in the sole judgment of the University, warrants the immediate relieving of the ASW from all work duties and/or requires the removal of the ASW from the premises. Investigatory leave shall not be considered a form of discipline or corrective action. The University will immediately provide the ASW and the Union with written confirmation of the terms of the investigatory leave.
- C. An ASW may have a Union representative present to represent or accompany the ASW in any discussion or meeting regarding the investigation or any potential discipline or discharge of the ASW.
- D. Nothing in this Article is intended to discourage supervisors from engaging in non-disciplinary mentoring, guidance, or counseling and ASWs involved shall participate in such discussions or meetings.

## **ARTICLE XXVIII: DISPUTE, GREIVANCE, AND ARBITRATION PROCEDURE**

- A. A grievance within the meaning of this Agreement shall be any dispute concerning the interpretation, application or claimed violation of a specific term or provision of this Agreement. A prompt and efficient method of settling Disputes, as herein defined, is both desirable and necessary. Moreover, notwithstanding the availability of the formal procedures of this Article, it is agreed an informal resolution of any Dispute is desirable.
- B. An aggrieved ASW or the Union shall present a grievance within twenty (20) days of its occurrence or discovery. An ASW may be accompanied by a Union representative at any step of the grievance procedure, and an ASW may be accompanied by a Union representative at any investigatory interview which the ASW reasonably believes may result in disciplinary action.
- C. Grievances alleging discriminatory harassment (including sexual harassment), as defined by published university policy and this contract on prohibited discrimination, discriminatory harassment, and sexual harassment must be filed within 365 days of the earliest date that the grievant had or could have been reasonably expected to have had knowledge of the act, event, or the commencement of the condition which is the basis of the grievance.
- D. The following steps shall be followed in the processing of disputes/grievances:

1. Step 1. a. The ASW shall informally discuss the dispute/grievance with their immediate supervisor, e.g. the Chair of the department, or the Program Director of the department where employed, within twenty (20) days of its occurrence or discovery. In the event an individual ASW and the University settle a dispute without the written and express agreement of the Union, it will not create a precedent for the interpretation or application of this Agreement.

b. If the dispute/grievance is not adjusted satisfactorily within ten (10) days thereafter, the grievance may proceed to Step 2. Furthermore, while ASWs and the administration are encouraged to resolve disputes at Step 1, the ASW or Union may initiate a grievance at Step 2 provided it is so initiated within the twenty (20) days specified above.

2. Step 2. Disputes/grievances that proceed to Step 2 must be reduced to writing and sent to the Dean of the appropriate School or their designee within ten (10) days of the Step 1 response. The Dispute/Grievance must specify the nature of the grievance, the provision(s) of this Agreement at issue and the relief requested. The Dean or their designee shall meet with the grievant and the Union within ten (10) days of receipt of the written grievance. The Dean or their designee shall respond to the Union in writing within ten (10) days of the meeting, with a copy to the University's Labor Relations Office, and the Office of the Provost.

3. Step 3. A grievance not resolved at Step 2 may be appealed in writing within ten (10) days of the conclusion of Step 2 to the University's Grievance Committee, which shall consist of the representatives from University's Offices of the Provost, Human Resources and Labor Relations addressed to the Provost. The Grievance Committee shall meet with the grievant and the Union to discuss the grievance within ten (10) days of receipt of the written appeal. The Grievance Committee is not precluded from inviting other University representatives who are relevant to the grievance. The Grievance Committee shall respond to the Union in writing within ten (10) days of the meeting.

E. A grievance by the University will initiate at Step 3. A grievance by the University shall be in writing, addressed to the Union at its offices, within twenty (20) days of its occurrence or discovery, and shall specify the nature of the grievance, the provision(s) of this Agreement at issue and the relief requested. The Union shall respond in writing within ten (10) days of its receipt, and shall send a copy of its response to the Labor Relations Office.

F. Any dispute filed by the Union on behalf of two or more ASWs, or involving the disciplinary suspension or discharge of an ASW or a grievance against a Dean, may be initiated at Step 3. Additionally, as to any other dispute, the parties may proceed initially at Step 3 if by mutual agreement, in writing.

G. Any disposition of a dispute/grievance from which no appeal is taken within the time limits specified herein shall be deemed resolved and shall not be considered further subject to the Grievance and Arbitration provisions of this Agreement. Failure on the part of either party to address a grievance at any step shall not be deemed acquiescence thereto, and the grieving party may proceed to the next step.

H. A grievance not resolved at Step 3 may be taken to arbitration by the Union or the University within thirty (30) days of the conclusion of Step 3. The time within which a party may take a grievance to arbitration is of the essence. A party shall take a grievance to arbitration by giving notice to that effect,

with a copy to the other party. The arbitrators shall rotate from the following panel, in the following order: Barbara Deinhardt, Daniel Brent, Lisa Charles, and Martin Scheinman. Should there be a vacancy on the panel, the University and Union shall mutually choose a substitute. If they cannot agree on a substitute within thirty (30) calendar days of a vacancy, they will choose a substitute by alternately striking names from a list of twelve (12) arbitrators submitted by the American Arbitration Association until one name remains, who will fill the vacancy.

I. The arbitration shall be in accordance with the procedures of the Labor Arbitration Rules of the American Arbitration Association. Notwithstanding the foregoing, the arbitrator shall have jurisdiction only over disputes arising out of grievances, as defined in this Article, and shall have no authority to add to, subtract from, modify or amend in any way the provisions of this Agreement. The decision of the arbitrator shall be final and binding upon the ASW, the Union and the University. The fees and expenses of the arbitrator and the American Arbitration Association shall be borne equally by the Union and the University.

J. If an ASW must miss other work assignment because they are required to attend an arbitration, there will be no loss of wages for that ASW. If the University subpoenas an ASW to appear at an arbitration and they lose wages from another employer, the University will reimburse that ASW their lost wages upon presentation of proof documenting such losses.

K. The time limits provided for in this Article shall not include Saturday, Sundays or University holidays. All time limits herein may be extended by mutual agreement.

## **ARTICLE XXIX: MAINTENANCE OF BENEFITS**

A. All benefits to employees, attributable to the ASW positions held and which are set forth in written University policy heretofore existing, shall be continued unless discontinued or modified by terms of this Agreement or by other written agreements between the University and the Union.

B. Any prior benefit not the subject of a written University policy shall be treated as written if such prior benefit has been:

1. A consistent and ascertainable course of conduct.
2. Engaged in for some reasonable length of time.
3. Of which the Union and Human Resource, or Provost Office are aware.
4. Which does not vary the express, written terms of this Agreement.
5. Which is in respect to a given set of specific circumstances and conditions.

## **ARTICLE XXX: CONFORMITY TO LAW – SAVINGS CLAUSE**

It is hereby declared to be the intention of the parties to this Agreement that the sections, paragraphs, sentences, clauses and phrases of this Agreement are subject to applicable federal, state, and local law, and are separable. If any part of this Agreement is found to be invalid because of conflict with applicable

federal, state or local law, such invalidity shall not affect the remaining parts of this Agreement, and the parties shall meet to negotiate a substitute provision.

### **ARTICLE XXXI: NO STRIKE, NO LOCKOUT**

A. The Union agrees that it will not, nor will it permit any member of the bargaining unit to call, instigate, engage or participate in or encourage or sanction any strike, sympathy strike, sit-down, slow-down or stoppage of work. Any ASW engaging in any conduct prohibited by this Article is subject to disciplinary action, including discharge.

B. In the event that any ASW violates the foregoing provisions, the Union shall immediately use every means at its disposal to get ASWs who participate or engage in any such action to return to work, including the distribution to the employees and the University, within twenty-four (24) hours of notice of a violation of this Article by the University to any Union officer or to the Union's offices, of a written notice signed by an officer of the Union, that the work stoppage or other violation is not authorized by the Union and is to be terminated immediately.

C. The University agrees that it shall not lockout any of the ASWs covered by this Agreement

### **ARTICLE XXXII: ENTIRE AGREEMENT**

The University and the Union agree that all matters desired by either party have been presented, discussed and incorporated herein or rejected. Accordingly, it is agreed that for the life of this Agreement, each party voluntarily and unequivocally waives the right and agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter whether or not within the contemplation of the parties and whether or not referred to in this Agreement. This Agreement constitutes the complete understanding of the parties with respect to all issues between them except individual ASW appointment letters issued pursuant to this Agreement, and may not be modified or amended except by an explicit agreement in writing signed by authorized agents of the parties.

### **ARTICLE XXXIII: TERM OF AGREEMENT AND TERMINATION AND RENEWAL OF AGREEMENT**

This Agreement shall be in full force and effect from September 1, 2017 to and including August 31, 2023, and thereafter shall continue in effect unless notice of a desire to modify or terminate the Agreement is given by either party to the other, in writing and by certified mail, return receipt requested, at least sixty (60) days prior to the expiration of the Agreement; provided, however, that where neither party gives such sixty (60) day notice of modification or termination prior to the expiration of the Agreement, the Agreement shall continue in effect until terminated or modified following notice by either party to the other, in writing and by certified mail, return receipt requested, of a desire to terminate or modify the Agreement, at least ninety (90) days thereafter. The parties acknowledge that ratification of

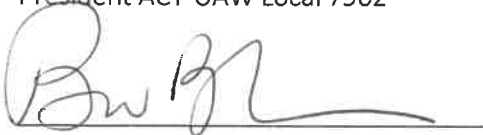

this Agreement by members of the collective bargaining unit, and the Administration, occurred in or about December, 2018 and, as such, the parties agreed to effectuate the obligations of this Agreement upon the commencement of the Spring, 2019 academic semester, or as otherwise set forth herein.
